

# Missional Community **Focus**

The Finchley Jam is an exciting and growing community of music lovers within North Finchley. They have a house band that consists of professional musicians to provide backing for other musicians to join in and have fun

Jam nights are every third Thursday of the month at The Bohemia on the High Road in North Finchley. The nights have been well attended and the team are building relationships with the local community members who attend

The Bohemia are starting their own open mic night soon so the team are praying about the future of Finchley Jam and considering re-launching with more team to engage people more effectively.

#### We thank God:

- · For a successful Jam night that has now been running for 4 years.
- That people have been made aware of St Bs as a result of meeting the team from the jam nights.
- For the positive effect on the community in North Finchley of networking music lovers.

#### We are praving for:

- New direction for the jam nights and engaging with more people that come to these events.
- Wisdom about stopping the jam night to see if Finchley Jam can work in conjunction with the new open mic night that will be starting.
- More team. As they think about relaunching FJ and re-branding the event, they are in desperate need of more team to get involved.
