# No-parking zone

We have agreed on a no-parking zone on surrounding roads in order to be good neighbours. Please do not park on the roads shown in the map.

## Parking for midweek meetings

Parking is available at St Barnabas. The entrance is on Highwood Avenue. Ask your group leader for the code to the car park (which will not work on Sundays).

You can either park outside or carry on down the ramp into the basement (same code).

There is an entrance into the church from the basement, with a lift to the ground and 1st floor.
