having faith.

The Covenant (of faith)  
with Abraham stands.  
The Law was actually just  
a practical tool to limp  
people along until Jesus.

## Galatians 2-3:

You don't have to be circumcised in order to be right with God – the Jerusalem apostles agree with me on this (even though Peter once had a wobble on it). Being made right God is and has always been a matter of faith, never a matter of keeping the OT laws.

Being made right with  
Father God  
isn't  
something you earn!
