

Missional Community **Focus**

The team writing Christmas cards for the Angel Tree Project

The Prison Missional Community is connected to the Prison Fellowship. They pray regularly for people in prison and for ex-offenders. lead worship services in some prisons and at this time of year focus on Angel Tree, a fantastic project that allows prisoners to give their children Christmas presents.

For more information and to find out ways you can pray and get involved, the team will be at the back of church after services today. Or you can email: prisonministrystbs@gmail.com

Give thanks for:

- The opportunities to visit a prison to lead chapel services, and for the strong sense of the Spirit present each time
- The pay cap that has been lifted on prison officers and police, giving them a much-needed morale boost
- One of our members who has recently become a full time worker in the prison service and is a great blessing to the inmates she meets, many of them new arrivals at the prison

Please pray for:

- · Prison staff across the country and for the state of our prisons, for protection, grace and strength for all those working in prisons, at a time when things can be volatile and staff are working often in a stressful and difficult environment
- The Angel Tree Project, that it would be a blessing for families of prisoners and that the team would know God's blessing on all the logistics and planning
- More people from St Bs to join the MC, particularly men!
