

St Barnabas Mission Partners

Annette Jandrell has worked with Youth with a Mission (YWAM) since 2000; she spent 8 years in Cambodia and has been based in Harpenden, England, since 2009. The aim of her ministry is: 'To see communities transformed and released from poverty into the abundant life that God intends for them'. She does this by leading a 6 month Community Development School (CDS), which equips and prepares participants from developing countries for community development ministry in their own communities. She also runs Community Development seminars at different YWAM locations in the world. Annette is getting married NEXT Saturday, 9 June, to Martyn.

Latest news from Annette:

"I have recently stepped down from the Training Leadership Team at YWAM Harpenden so that I can concentrate on my wedding preparations; on preparing for the next Community Development School (CDS); and on my other roles as YWAM Harpenden Medical Officer, and leading Britcare, the member care service for British YWAMers overseas.

I have led two community development seminars so far this year; one was during the Children at Risk School in The Netherlands, and the other was at a church in Belfast. The next community development seminar is in Harpenden from 11-13 July. You are all invited to attend this event! See <https://ywamharpden.org/cds-seminar18>

My wedding to Martyn is at 2pm on Saturday 9 June at St Mary's Church in Luton - you are all warmly invited to join us for the service! Martyn will be coming with me to Togo when I will be running the next Community Development School. He plans to spend time working at the YWAM Noepe base in Togo, doing some writing, and supporting me as I lead the School."

Give thanks:

- For Annette's upcoming wedding to Martyn
- That Martyn will be going to Togo with Annette in September
- That one student has already been accepted for the Togo CDS, and that there are some other potential applicants

Please pray for:

- Annette and Martyn as they start married life together
- Annette and Martyn to hear from God for their future plans: what, where, how!
- A minimum of 6 students to be accepted for the Togo CDS, which starts in September 2018
