

# St Barnabas Mission Partners

**John and Suzi Peachey** are serving with Youth with A Mission (YWAM) in Harpenden. They teach and mentor younger missionary leaders, and help facilitate the group of senior leaders caring for YWAM teams in England. They lead the ministry of *Orphans Know More*, which places orphans (often due to HIV/AIDS) with families in Uganda. Their four (now adult) children are Seth, Joel, Naomi and Lily. John is working towards a PhD through the Oxford Centre for Mission Studies.

## Latest news from John and Suzi:

"We continue to be very busy!"

We led a group of 80 missionaries in YWAM Europe in a Leadership Learning Community in Tallinn, Estonia, in June, including an open evening hosted by the Evangelical Alliance in preparation for major evangelism initiatives in the Baltics (Estonia, Latvia and Lithuania) this year.

We taught missionaries from Resonate Global missions, who are working in West Africa, in reaching unreached Muslim semi-nomadic people and Christian education on the theme of Learning the Way of Jesus in April.

We are hosting sixty people for the University of the Nations Centre for Discipleship Gathering at Harpenden next week.

Joel will be leading a group of British University students on outreach in Uganda working with our Orphans Know More families during the month of July. Naomi and Lydia will also be going. Pray for effective witness for our Mission Adventures outreaches this summer. Teams of young people will be going to Sarajevo, Bosnia & Herzegovina and Durres, Albania. Suzi and John will be serving the training camp in July."

## Give thanks:

- For the opportunities John and Suzi are having to teach and train leaders and missionaries
- God's blessing of good health for the whole family
- That Joel is leading an outreach to the Orphans Know More Families

## Please pray for:

- God's strength and peace throughout the busy summer period
- Financial provision and wisdom for John to finish his part time PhD in Education at the Oxford Centre for Mission Studies and Middlesex University during the next 18 months
- The missionaries from Resonate Global missions, that they will be effective in reaching unreached people groups with the gospel
