

# St Barnabas Mission Associates

**Stephen McKenzie** works amongst the student population of Manchester with the Apogee Foundation, to see students come to faith, be discipled and become ambassadors for Christ on campus. He is currently spearheading a project called 'Into the Workplace' to resource and prepare students and the churches working with them, to live for Jesus when they enter the workplace. He is engaged to Abbi.

**Update:** I am so thankful for all the opportunities that God has provided for me to speak, to grow and to expand my ministry and work. Particular highlights this past year have been working with new groups and having the opportunity to start 'Into the Workplace.'

## Give thanks:

- For Stephen's good friends and for the people he shares a house with
- For Stephen's relationship with Abbi
- For the connections Stephen has made who now play a part in his ministry

## Please pray:

- For God to prepare Stephen and Abbi for marriage, and guide them for their future
- That Stephen would lay down his own expectations for the year ahead and trust in God's will for his life and ministry
- That God would prepare the way for the 'Into the Workplace' project

**Tom Stubbings** is based in Perth, Australia with Youth with a Mission (YWAM). He leads the Performing Arts Discipleship Training School (PADTS) and the First Fruit Productions (FFP) ministry. The school involves three months of training and a three month outreach in various countries. The ministry runs throughout the year and is committed to reaching the unreached with the Gospel through the performing arts.

**Update:** There have been some amazing moments of breakthrough in the lives of the students during this current Discipleship Training School. The outreach locations will be Madagascar and South West Australia. We are moving along with the production First Fruits Productions created, and look forward to it coming out in May or June this year!

## Give thanks:

- For God's faithfulness and provision for Tom's every need
- That God is working in the lives of the students
- That the production for the youth will be coming out in the next few months

## Please pray:

- For open doors and fruitfulness for the outreaches
- For discernment and guidance for Tom as he seeks God about his future
- That people would really flourish under Tom's leadership
- That those students and staff who are unwell will get better

**Pray for Stephen and Tom:** Tear off this slip to pray throughout the week, or pick up their prayer postcards from the display in the café area on the ground floor  
**Support Stephen and/or Tom:** Email [clairefranks@stbarnabas.co.uk](mailto:clairefranks@stbarnabas.co.uk) to find out how you can support Stephen and/or Tom, or to receive their newsletters
