

## St Barnabas Mission Partners

**Bernie and Celia Mascher** live in Naivasha, Kenya with their teenage children, **Abbie and Theon**, who are at boarding school during term time. They manage a teaching facility, Helping Hands, which offers vocational training courses such as weaving, and a leadership/theological diploma to church leaders.

They also run Little Hands School which integrates children with physical disabilities and other special needs. On Sundays they lead Naivasha International Fellowship.

### Latest news from the Maschers:

We had a wonderful visit from a team of ladies from St Barnabas and Oakleigh Community Church in April. They really encouraged all of us, and the staff here still talk about them. We are thankful for visiting teams from St Barnabas and look forward to receiving more!

We had a visit from a representative of the Kenya Ministry of Education recently. He was very impressed with our school and focus on inclusive education. He commented we should be used as a benchmark for other schools in the area.

Celia's mother sadly passed away over the Easter weekend. It was a very sad and emotional time.

Abbie and Theon are doing well at school. We are rather alarmed that we are approaching Abbie's last year at school! We are beginning the process with Abbie of figuring out her next steps.

After a long wait and endless issues with customs and ports, we have finally received the car we had imported from overseas. It is very exciting.

We are visiting the UK and Germany this summer. Our schedule is very packed as we will be visiting supporters and talking about our ministry in Kenya.

### Give thanks:

- For the visit of the ladies from St Barnabas and Oakleigh
- That the Helping Hands school was so highly regarded by the representative of the Kenya Ministry of Education
- For the arrival of the imported car

### Please pray for:

- Celia, as she continues to grieve the passing of her mother and often feels exhausted
- Stamina for the Maschers during their busy schedule in the UK and Germany
- The family, especially Abbie, making plans for her future after she leaves school

**Pray for the Maschers:** Tear off this slip to pray for the Maschers throughout the week, or pick up their prayer postcard from the postcard display in the café area on the ground floor
