

St Barnabas Mission Partners

Jo Jowett lives in Birmingham with her husband, Mark, and works for Global Connections, an organisation that promotes and facilitates mission in the UK and overseas. Jo and Global Connections fulfil a vital role in resourcing mission around the world. Jo and Mark are also involved in City Pastors in Birmingham.

Latest news from Jo:

We're thankful for a successful 2019 GOfest event (a partnership of mission agencies engaging with local churches) and are currently planning for the 2020 event on 16 May. On 22 October we brought together 25 church leaders to share the GOfest vision and begin a conversation about local and global mission engagement.

After a period of constant change over the past couple of years in Global Connections all the staff appointments have now been made. This will enable us to move forward with the new and ever-evolving strategy as we seek to be relevant in a constantly changing world.

We are currently in production of the 2020 edition of SERVE short-term, which details short-term mission opportunities.

The summer event season afforded us many opportunities to engage with individuals seeking God's will for their lives. We are following many of these people up to offer ongoing support in finding God's place for them.

Give thanks:

- For a successful GOfest 2019 and 22 October gathering
- That all vacant staff positions have been filled
- For the opportunity to meet and offer ongoing support to people seeking God's will for their lives

Please pray:

- That Jo and her team continue to follow God's leading in the planning of GOfest and ongoing engagement with church leaders
- That the SERVE short-term resource will help mobilise many for short-term mission
- For more people to join their Birmingham City Pastors team
